

REMARKS

Applicant respectfully requests entrance of the amendments as detailed above in the above-referenced patent application.

Amendments to the Specification

The amendment to the specification, as detailed above, merely seeks to correct the Priority claim to specify that the present Application is a Continuation-In-Part of International Application No.: PCT/US03/07377. The "Continuation-In-Part" designation was inadvertently omitted at the time the Application was filed. Applicant respectfully submits that no new matter is presented with this amendment.

Applicant thanks the Examiner for his/her time and consideration. If a telephone conversation would help clarify any issues, or help expedite prosecution of this case, Applicant invites the Examiner to contact the undersigned at (617) 248-5150.

Although it is believed that there is no fee associated with this Amendment, if Applicant is mistaken, please charge any required fee(s) to our Deposit Account No.: 03-1721.

Respectfully submitted,
